

# Employer-Led Skills Bootcamps Explained

A man with a beard, wearing a light blue button-down shirt and dark trousers, is standing in a meeting room. He is holding a black marker in his right hand and gesturing with his left hand. In the background, there is a whiteboard with a simple line drawing of a curved line. The room has wood-paneled walls and a window with blinds. A green square graphic is positioned to the right of the text box.

# What are they?

Employer-Led Skills Bootcamps are intensive training programs of up to 16 weeks for adults aged 19 or over. They are designed alongside you as an employer to fit the specific needs of your business.

Our Skills Bootcamps are available to any Business in Somerset or Dorset, small, medium or large wanting to upskill their existing staff or train new staff.

A background image showing a business meeting with people in suits holding pens and looking at documents. A bright green square is positioned on the right side of the image.

# How much will it cost?

Small Business: 10% cost covered by you, 90% Government Funded

Larger Business: 30% cost covered by you, 70% Government Funded

A man in a dark suit and white shirt is standing in front of a large projection screen. He is gesturing with his hands as if presenting. The screen behind him shows a slide with a list of items: 'Income Statement', 'Balance Sheet', 'Cash Flow Statement', 'Milestones Achieved in FY19', and 'Domestic and Global Market Share'. A woman's head is visible in the foreground on the right, looking towards the presenter.

## Who provides the training?

We work with local training providers to deliver customised programs using their expertise to make sure you get the training experience your staff require.

# What sectors do we cover?

- Early Years
- Retail

## OUR CORE VALUES

1. Achieve our goal to make money, increase net profit whilst simultaneously increasing return on investment and cash flow
2. Every action that brings us closer to our goal is productive, every action that does not bring us to our goal is non productive
3. To put quality at the centre of everything we do to drive sustainable growth
4. Do a better job tomorrow than you did today
5. Increase throughput while simultaneously reducing both inventory and operational expenses
6. DRUM - Driven Respectful United Management
7. To be totally customer focussed
8. The key to success is to recognise and utilise the skills and talents of people
9. Act with integrity, being honest, open and accountable
